We have successfully conceptualized, organized and executed large scale production for live entertainment of international level.

At DanceSmith, we believe in **Deliver the best, to be the best.**

TECHNO BOLLYWOOD

We believe in Creation. Our innovation and dare of doing experiments brought this astonishing act which is having World's first wearable In-house created laser costume developed by us with 128 laser diodes. This is a highly technical act designed by keeping every bit complementing each other. Every back up dancer's costume has designed with many small concave mirrors to enhance the effect of Laser which took the show on international level.

The act is having sequences which is a perfect blend of Dancing and technology and also presents our In-house creativity through its costume which has designed to give an effect of spectrum for which number of LED lights has used for making the costumes. Uniqueness of the act is in its presentation. This act is one of the best successful experimented techno act designed by us.
